

§ 1955.116

7 CFR Ch. XVIII (1–1–09 Edition)

(b) *Multiple family housing.* Sales steps will be the same as for program MFH property as provided in §1955.114(b) of this subpart except that sales must be for cash or on NP terms as set forth in §1955.118 of this subpart. Additionally, if cash offers are received, they will be given first preference by drawing from the cash offers only. If the State Director determines an auction sale should be used to sell NP MFH property, authority to use that method of sale must be requested from the Assistant Administrator, Housing. Inventory files, including information on the acquisition, marketing efforts made, management of the property, other pertinent information, a memorandum covering the facts of the case, and recommendations of the State Director must be submitted for review. If the housing is sold out of the FmHA or its successor agency under Public Law 103–354 program as NP property, the closing of the sale may not take place until tenants have received all notifications and benefits afforded to tenants in prepaying projects in accordance with 7 CFR part 3560, subpart N.

Pursuant to section 510(e) of the Housing Act of 1949, as amended, 42 U.S.C. 1480(e), the purchaser ("Grantee" herein) of the above-described real property (the "subject property" herein) covenants and agrees with the United States acting by and through Farmers Home Administration or its successor agency under Public Law 103-354 (the "Grantor" herein) that the dwelling unit(s) located on the subject property as of the date of this Quitclaim Deed will not be occupied or used for residential purposes until the item(s) listed at the end of this paragraph have been accomplished. This covenant shall be binding on Grantee and Grantee's heirs, assigns and successors and will be construed as both a covenant running with the subject property and as equitable servitude. This covenant will be enforceable by the United States in any court of competent jurisdiction. When the existing dwelling unit(s) on the subject property complies with the aforementioned standards of the Farmers Home Administration or its successor agency under Public Law 103-354 or the unit(s) has been completely razed, upon application to the Farmers Home Administration or its successor agency under Public Law 103-354 in accordance with its regulations, the subject property may be released from the effect of this covenant and the covenant will thereafter be of no further force or effect. The property must be repaired and/or renovated as follows:*

*Insert the same items referenced in the listing notice(s) and sale agreement which are necessary to make the dwelling unit(s) meet DSS standards.

(d) *Release of restrictive covenant.* Upon request of the property owner for a release of the restrictive covenant, FmHA or its successor agency under Public Law 103-354 will inspect the property to ensure that the repairs/renovations outlined in the restrictive covenant have been properly completed or the structure(s) razed. § 1955.117 Processing credit sales on program terms (housing).

The following provisions apply to all credit sales on program terms:

(a) *Offers.* Form FmHA or its successor agency under Public Law 103-354 1955-45 will be used to document the offer and acceptance for regular FmHA or its successor agency under Public Law 103-354 sales. The contract is accepted prior to processing Form FmHA or its successor agency under Public Law 103-354 410-4, "Application for Rural Housing Assistance (Non-Farm Tract)," for SFH property with the provision that acceptance is subject to program approval. MFH property sales require an application package comparable to that submitted for the respective loan program application.

(b) *Processing.* The FmHA or its successor agency under Public Law 103-354 regulations pertaining to the type of credit being extended will be followed in making credit sales on program terms except as modified by the provisions of this section. All MFH credit sales may be made for up to 100 percent of the current market value of the security, less any prior lien. However, if a profit or limited profit applicant desires to earn a return, the applicant will be required to contribute at least 3 percent of the purchase price as a cash downpayment. All credit sales of RRH, RCH, and LH properties will be subject to prepayment and restrictive-use provisions specified by the respective program requirements.

(c) *Approval.* Forms FmHA or its successor agency under Public Law 103-354 1940-1 or RD 3560-51, as appropriate, will be used to approve a credit sale even though no obligation of funds is required.

(d) *Downpayment.* When a downpayment is made, it will be collected at closing.

(e) *Interest rate.* Upon request of the applicant, the interest rate charged by FmHA or its successor agency under Public Law 103-354 will be the lower of the interest rate in effect at the time of loan approval or closing. If the applicant does not indicate a choice, the loan will be closed at the rate in effect at the time of loan approval.

(f) *Closing costs.* MFH purchasers will pay closing costs from their own funds.
